

Community Consultative Committee

Call for Nominations

Nominations are open for appointment of community members to the Crudine Ridge Wind Farm Community Consultative Committee.

Many State significant projects in NSW have Community Consultative Committees (CCC). These committees provide a forum for open dialogue between the proponent and representatives of the local community, stakeholder groups and local councils on issues directly relating to the project. For information on the Crudine Ridge Wind Farm project please visit <https://www.crudineridgewindfarm.com.au/>.

We are looking for a mix of people who live locally or are members of a stakeholder group (community, environment, Aboriginal or industry) to join the Crudine Ridge Wind Farm Community Consultative Committee.

Your role as a committee member is voluntary.

You will be expected to contribute constructively to committee discussions, attend around four meetings a year, and communicate information about the Crudine Ridge Wind Farm project with the broader community.

For more information about the establishment and operation of CCCs, please visit <http://www.planning.nsw.gov.au/CommunityConsultativeCommittees>

If you would like to apply, download a copy of the relevant nomination form [click here](#) or contact the Independent Chair.

Applications must be lodged by Monday, 7 January 2019 and sent to the Independent Chairperson of the Community Consultative Committee.
